Additional Information

Additional Services

We proudly offer the highest quality gluten free wedding cakes, as well as accommodating any other dietary needs. If you're not sure if we offer something just ask, we love working with you!

We are happy to set up your cakes and desserts upon delivery, however we ask that you provide your own cake stands, platters, etc.

We sadly do not offer fondant cakes. We love highlighting the natural beauty of cakes and desserts, we believe less is more.

Delivery Information

We deliver cakes within a 30 mile radius of Los Angeles. Rates will be calculated accordingly.
